1. About the Alumni Association CGIT, Raipur

The **Alumni Association of Chhattisgarh Institute of Technology (CGIT), Raipur** has been established to strengthen the lifelong relationship between the Institute and its graduates. The Association serves as a common platform for alumni to remain connected with their alma mater and actively contribute towards institutional development through mentorship, industry interaction, placements, innovation, entrepreneurship, and social responsibility.

The Alumni Cell aims to create a vibrant network of graduates working across government organizations, industries, academia, research institutions, and entrepreneurial ventures.

2. Vision

To build a globally connected alumni community that contributes significantly towards academic excellence, innovation, entrepreneurship, research, and institutional development.

3. Mission

- Maintain lifelong engagement with alumni.
- Promote networking among alumni.
- Facilitate mentorship for students.
- Enhance industry-institute interaction.
- Encourage innovation and entrepreneurship.
- Support placements, internships, and career guidance.
- Mobilize alumni contributions towards institutional development.

4. Establishment and Registration

During the academic year **2025–26**, the Alumni Association achieved an important milestone by obtaining official registration under the **Chhattisgarh Societies Registration Act, 1973**.

The registration establishes the Association as a legal entity capable of organizing activities, receiving contributions, collaborating with industries, and implementing alumni welfare initiatives.

The society registration certificate confirms that the **Alumni Association of Chhattisgarh Institute of Technology, Raipur** was registered on **30 April 2026** under the Chhattisgarh Societies Registration Act.
